

This week in Summer Adventures... Week 6 – July 26-30

Our theme for the week is: Iron Chef

Our goal for the week is to cook up some fun foods in the classroom and play games that are food related. We will also learn how to make garlic bread and pizza from scratch and the Young Chef's Academy. It's in Stafford, VA so the bus leaves EARLY this week. PLEASE BE HERE BY 8:00 AM.

Notes for the week:

If this is your first week of Summer Adventures this year, please make sure you have all paperwork with you (or already turned in) when you drop your child off on Monday. This includes emergency card, healthy inventory, and all three permission slips. These were in the info packet you received by e-mail. This makes for a smoother start to our day/week and allows us to spend more time having fun with your children! Also, be sure to label all your children's items. Thank you!

We will go swimming Monday, Wednesday, and Friday from 11-1. Don't forget your bathing suit, towel, sunscreen, and pool shoes!

Tuesday will be our field trip: This week's field trip is to Young Chef's Academy and Austin Ridge Park We will leaving at 8:15 AM, so please be here by 8:00.

- **Two really important things for this field trip:**
 - **All lunches should be in a BROWN or PLASTIC BAG. We will not bring anything back to the center (plastic containers, ice packs, thermoses, etc.) They will be allowed to eat what they cook but they might get hungry before it's ready.**
 - **All children MUST bring a water bottle and wear their Summer Adventures T-Shirts.** Don't have one? You can purchase a new shirt for \$15 in my office.
- Please wear closed-toed shoes and plenty of sunscreen.
- Make sure to sign the permission slip by the sign in/out sheet!
- **Alternate Trip: none necessary**

Thursday we will make funnel cakes and have lemonade stand. Watch out for signs for the time so you can stop by for a cool drink. There will also be a recycling contest going on all week so be sure to bring in those recyclable items from home. The kids will need their bathing suits every day as we will have lots of water games going on too to try and stay cool.

Looking forward to another great week in Summer Adventures!!

Be sure to fill out the weekly survey hanging by the door.
