

Truck Day August 20, 2009

Montgomery Child Care Kensington/Forest Glen had their annual Truck Day today.

As you can see, there were a lot of trucks to explore, including 2 fire engines, Giant & UPS delivery trucks, a Metrobus, WSSC truck, garbage truck and many more.

Our street was closed for the morning to make room for all those trucks.

Families from the neighborhood were welcome to join in the fun, along with our friends from the adult day care program in our building. What a great in-house “field trip” shared with our community!
