

Hello Families :)

“Soccer Shots” is coming to MCCA Beverly Farms. We are exploring the possibility of having our own soccer classes here at the center. If this is something that would interest your child, please let us know. We will keep you posted and see if we have enough interest for Kids Klub. Also, we cannot stress enough the importance of contacting us when your child will not be in attendance. So please call or e-mail Kids Klub and keep us updated. Thank you!
