

## MCCA's Night at the Big Train

MCCA was one of the featured non-profits on July 17th at the Big Train baseball game at Shirley Povich Field in Bethesda.

Nonprofit Nights are sponsored by the Trawick Foundation, and give area nonprofits the chance to showcase their programs to the

700+ fans at the game. We promoted MCCA with a display board and flyers on a table inside the gates, and 100 parents, kids and staff from our MCCA Arcola, Bel Pre and Garrett Park programs received free admission to the game.

Cindy O'Carroll, our MCCA Beverly Farms Director, said a few words to the crowd, and her son Ryan, a graduate of MCCA Beverly Farms and an avid baseball player, threw out the ceremonial first pitch.

The Bethesda Big Train is our local team in the Cal Ripken Sr. College Baseball League, and finished last season with a 24-13 record.
