You and your staff are to be commended for successfully completing the Maryland State Department of Education's validation process for the center-base child care program at Montgomery Child Care River Road in Montgomery County. The validation period is effective through December 31, 2014.

We applaud the efforts of your child care teachers, and are proud of the fact that your program now joins the cadre of programs that meet the high quality standards for early childhood programs. Welcome to the state validated center-based child care and Head Start network!
