

Star Light's February 2012 Newsletter

We've come upon a new year! In the Starlight class we are learning new and exciting things this year. Our focus for the month of January was Discovery and Art. We explored with mixing oil, water, and food coloring. We discovered this makes Lava Lamps! Also, we explored how to paint with shaving cream and pudding.

A favorite in our class right now is the Rice Table where our Starlights' build sensory skills while they create fun exploring activities

We are looking forward to February when we will be focusing on our Community Helpers. Each week we will focus on different community helpers such as: doctor, dentist, postal worker and construction worker. We have many fun things planned that correlate including making our own toothpaste (while we learn more about dentists) and dressing up like doctors. We will be taking a fieldtrip to visit the Post office February 22nd. There we will experience what postal workers do on a daily basis. Our plans for this month will not only teach our Starlights' about the important jobs that grownups do, but it will also give us new and fun projects to do relating to the field were covering.

Next month is Valentine's Day! We will be exchanging cards and having a small party for our friends here and any family members that wish to attend. Please check your parent pocket for additional information.

The Starlights would like to welcome our new friend Emilio to our room. We are delighted to have you and your family be a part of our Starlight family. We would like to also welcome Sarah Osman to the Star Light's class. Sarah is the new morning assistant and will be working with Ms. Rochelle and Ms. Renee. Sarah comes to River Road with experience working with two and three year olds both in a child care setting and in a church nursery. Please help us make Sarah feel welcome!

Were still in the winter months so please dress your child in warm clothing and don't forget hats and gloves!

We look forward to February and all the fun and enriching things we'll learn.

Please remember:

~Check your parent pockets daily

~We have our fieldtrip to the Post Office February 22, 2012

~We have an International Family Potluck on Feb. 17th from 5:30-7:30pm

~School will be closed for President's Day February 20 2012
