This course meets the State of Maryland educational requirements for Child Care Preschool Teachers. You must have a high school diploma or GED certificate to take this course. This course also provides 90 of the 120 training hours required for the Child Development Associate (CDA) Credential.

This course will concentrate on:

- the growth and development of the infant through 5 year old (with primary emphasis on ages 2-5)
- formulation of appropriate developmental curriculum for preschool children

Learning experiences include lecture, discussion, media, plus many opportunities for:

- small group work
- hands on exploration of curriculum activities
- observations of a model classroom
- actual work with preschool children

Registration Form - 90 Hour Early Childhood Course Fall 2010

Please return payment and form to:

MCCA Training Institute , 3204 Tower Oaks Blvd, Suite 330, Rockville, MD, 20852
